

UK Gasket & Sealing Association Health & Safety Policy Statement

The UK Gasket & Sealing Association is committed to providing a safe environment for all contractors and visitors to the organisation's premises.

The secretariat will:

- Identify and assess all hazards in the workplace;
- Control all significant hazards;
- Be proactive in identifying new hazards;
- Take practicable steps to eliminate, isolate or minimise the exposure to any hazards deemed to be significant;
- Provide health and safety training and supervision;
- Encourage the accurate and timely reporting of all incidents and injuries;
- Investigate all reported incidents and injuries to ensure all contributing factors are identified and, where appropriate, plans are formulated to take corrective action;
- Meet our obligations under the UK Health & Safety Act and Regulations, and Codes of Practices, Standards and Guidelines.

Contractors and visitors will:

- Actively contribute to hazard identification and management;
- Participate in health and safety training;
- Adopt safe work practices and encourage others to do the same;
- Report injuries promptly and accurately;

The UKGSA secretariat will comply with relevant Health & Safety policies when visiting third party sites including member organisation premises and event venues.
